

David McCormick

Lighting Cameraman / Director of Photography

Summary:

I have been working as a lighting cameraman for over 18 years now, firstly staff at Channel Four TV based at Right to Reply for 6 years, then an American facilities company and have been freelance since the end of 1998. I am skilled in all aspects of shooting for television from PSC, Drama, Documentary, OB, live and studio. I have shot in all conceivable styles and locations all over the world. I am familiar with all cameras and more recently have been using Sony's F900R and EX1 and Panasonic's Varicam along with a Pro35 and 35mm prime lenses. I am also familiar with tracking vehicles (including high speed work), dolly and focus track, motion control and aerial filming.
